

Our election pledges to you!

1. Putting people before politics
2. To continue our campaign for Park & Ride facilities in the north of Cardiff to reduce congestion & local parking problems
3. To continue to campaign for much better access to the city centre & locally for the disabled and less mobile, including transport
4. To campaign for a better balance between investment in the city centre and the suburbs including parks & highway infrastructure
5. To continue to support the need for more investment in schools & improved education outcomes for young people in Cardiff
6. To continue our active support for the residents within Heath & Birchgrove in what ever way we can.
